

55"

42"

## High Quality For Signage, Art & Information

Narrow bezel, commercial grade Full-HD large screen video monitors for digital signage and corporate AV. The wide viewing angle and brilliant colors make these displays excellent for video, graphics and information applications.

The use of high grade components in a robust but finely made aluminum enclosure ensures long operating life while maintaining an as new appearance.

## Designed For Business Installations

Auto on capability, unlike a TV that requires manual power on these displays will power up when power or video signal is present.

The mountings are for standard VESA type fixings to suit all commercial installations.

Industry standard signal inputs to suit a commercial environment.

Extensive RS-232 command set support for compatibility with Crestron, AMX and other room control systems.
