

Brilliant - Responsive - Engaging

The 84" IPS display delivers a brilliant 4K image in a sleek yet robust aluminum enclosure.

The highly responsive touch features provides 12 point multi-touch interactivity. Optically bonded anti-glare glass minimizes parallax and visual clarity.

See / Feel The Difference

- Phenomenal resolution - 4K Ultra High Definition
- Ability to run content in either Full HD or 4K
- Brilliant IPS display technology; wide viewing angle
- Mobile unit which transforms into the base & frame
- Low power consumption
- Touch model has optically clear bonded glass overlay

Specification
